

# Grant-Writing Tips

Many organizations offer tip sheets, webinars, and articles with information that will help you put together a compelling grant proposal.

Here are some resources specially tailored to the needs of schools and school districts that are writing grant proposals to seek support for STEM initiatives:

- FREE online Proposal Writing Short Course from the **Foundation Center**
- Another FREE online course from **Scholastic**
- Grant-writing tips from the **National Education Association**
- The **School Grants** website has links to a variety of grant-writing resources
- Here's a concise guide to grant-writing from **Vernier**
